Matt,

Thanks! Either Mon or Tues works for me...I have Comm v with ADA Craig lannini in Suffolk next week too...he said he would most likely need me on Tues so maybe if I could do both in one day that would be cool.. Let me know.

Kate,

As of right now, it is still on. I will fax a summons over right now. I will also include one for Peter Piro in case he didn't receive one as well. We should probably talk tomorrow about a time that works for you guys (Monday vs. Tuesday). Thanks again for yesterday; you did a great job.

Hi Matt,

Is the case still going forward? If you are still going to need me could you please fax over a subpoena? I never received one.

Thanks,

Sorry for the confusion, but I meant Wednesday morning for the pick up, not Tuesday.

Kate and Della,

My goal at this point is to have one of investigators pick you up at the lab in JP between 8:30 and 8:45 Tuesday morning. While it certainly won't be any earlier than this, depending on what is accomplished tomorrow, the pick up time could be a little later in the morning. I will have a definite time for you by tomorrow afternoon. Thanks and if anything changes, I will let you know as soon as I can.

Peter and Kate,

The case had been scheduled for trial on 12/14, but since the defense attorney was starting another trial that day, he expected to continue the trial. That being said, when he attempted to continue the case this morning, the Judge told him that she was going to wait and see what happened with his other case before deciding whether to continue the case. Long story short, while it is doubtful that the case will go forward, it is still technically scheduled for trial on Dec. 14. I will send you formal summons either today or tomorrow. When you can, can you please advise me as to how many other courts you need to be in on 12/14 and 12/15? Thanks and I apologize for the tardiness of this notice.
